WELCOME MESSAGE

Welcome to [Alpha Automation's Company Profile](#).
Follow us & travel in the world of maritime & industry
automation.

Our experience on sales marketing, inspection and
service be reflected on our contended clients.
In this form you will find more details for our activity,
partners and our vision.

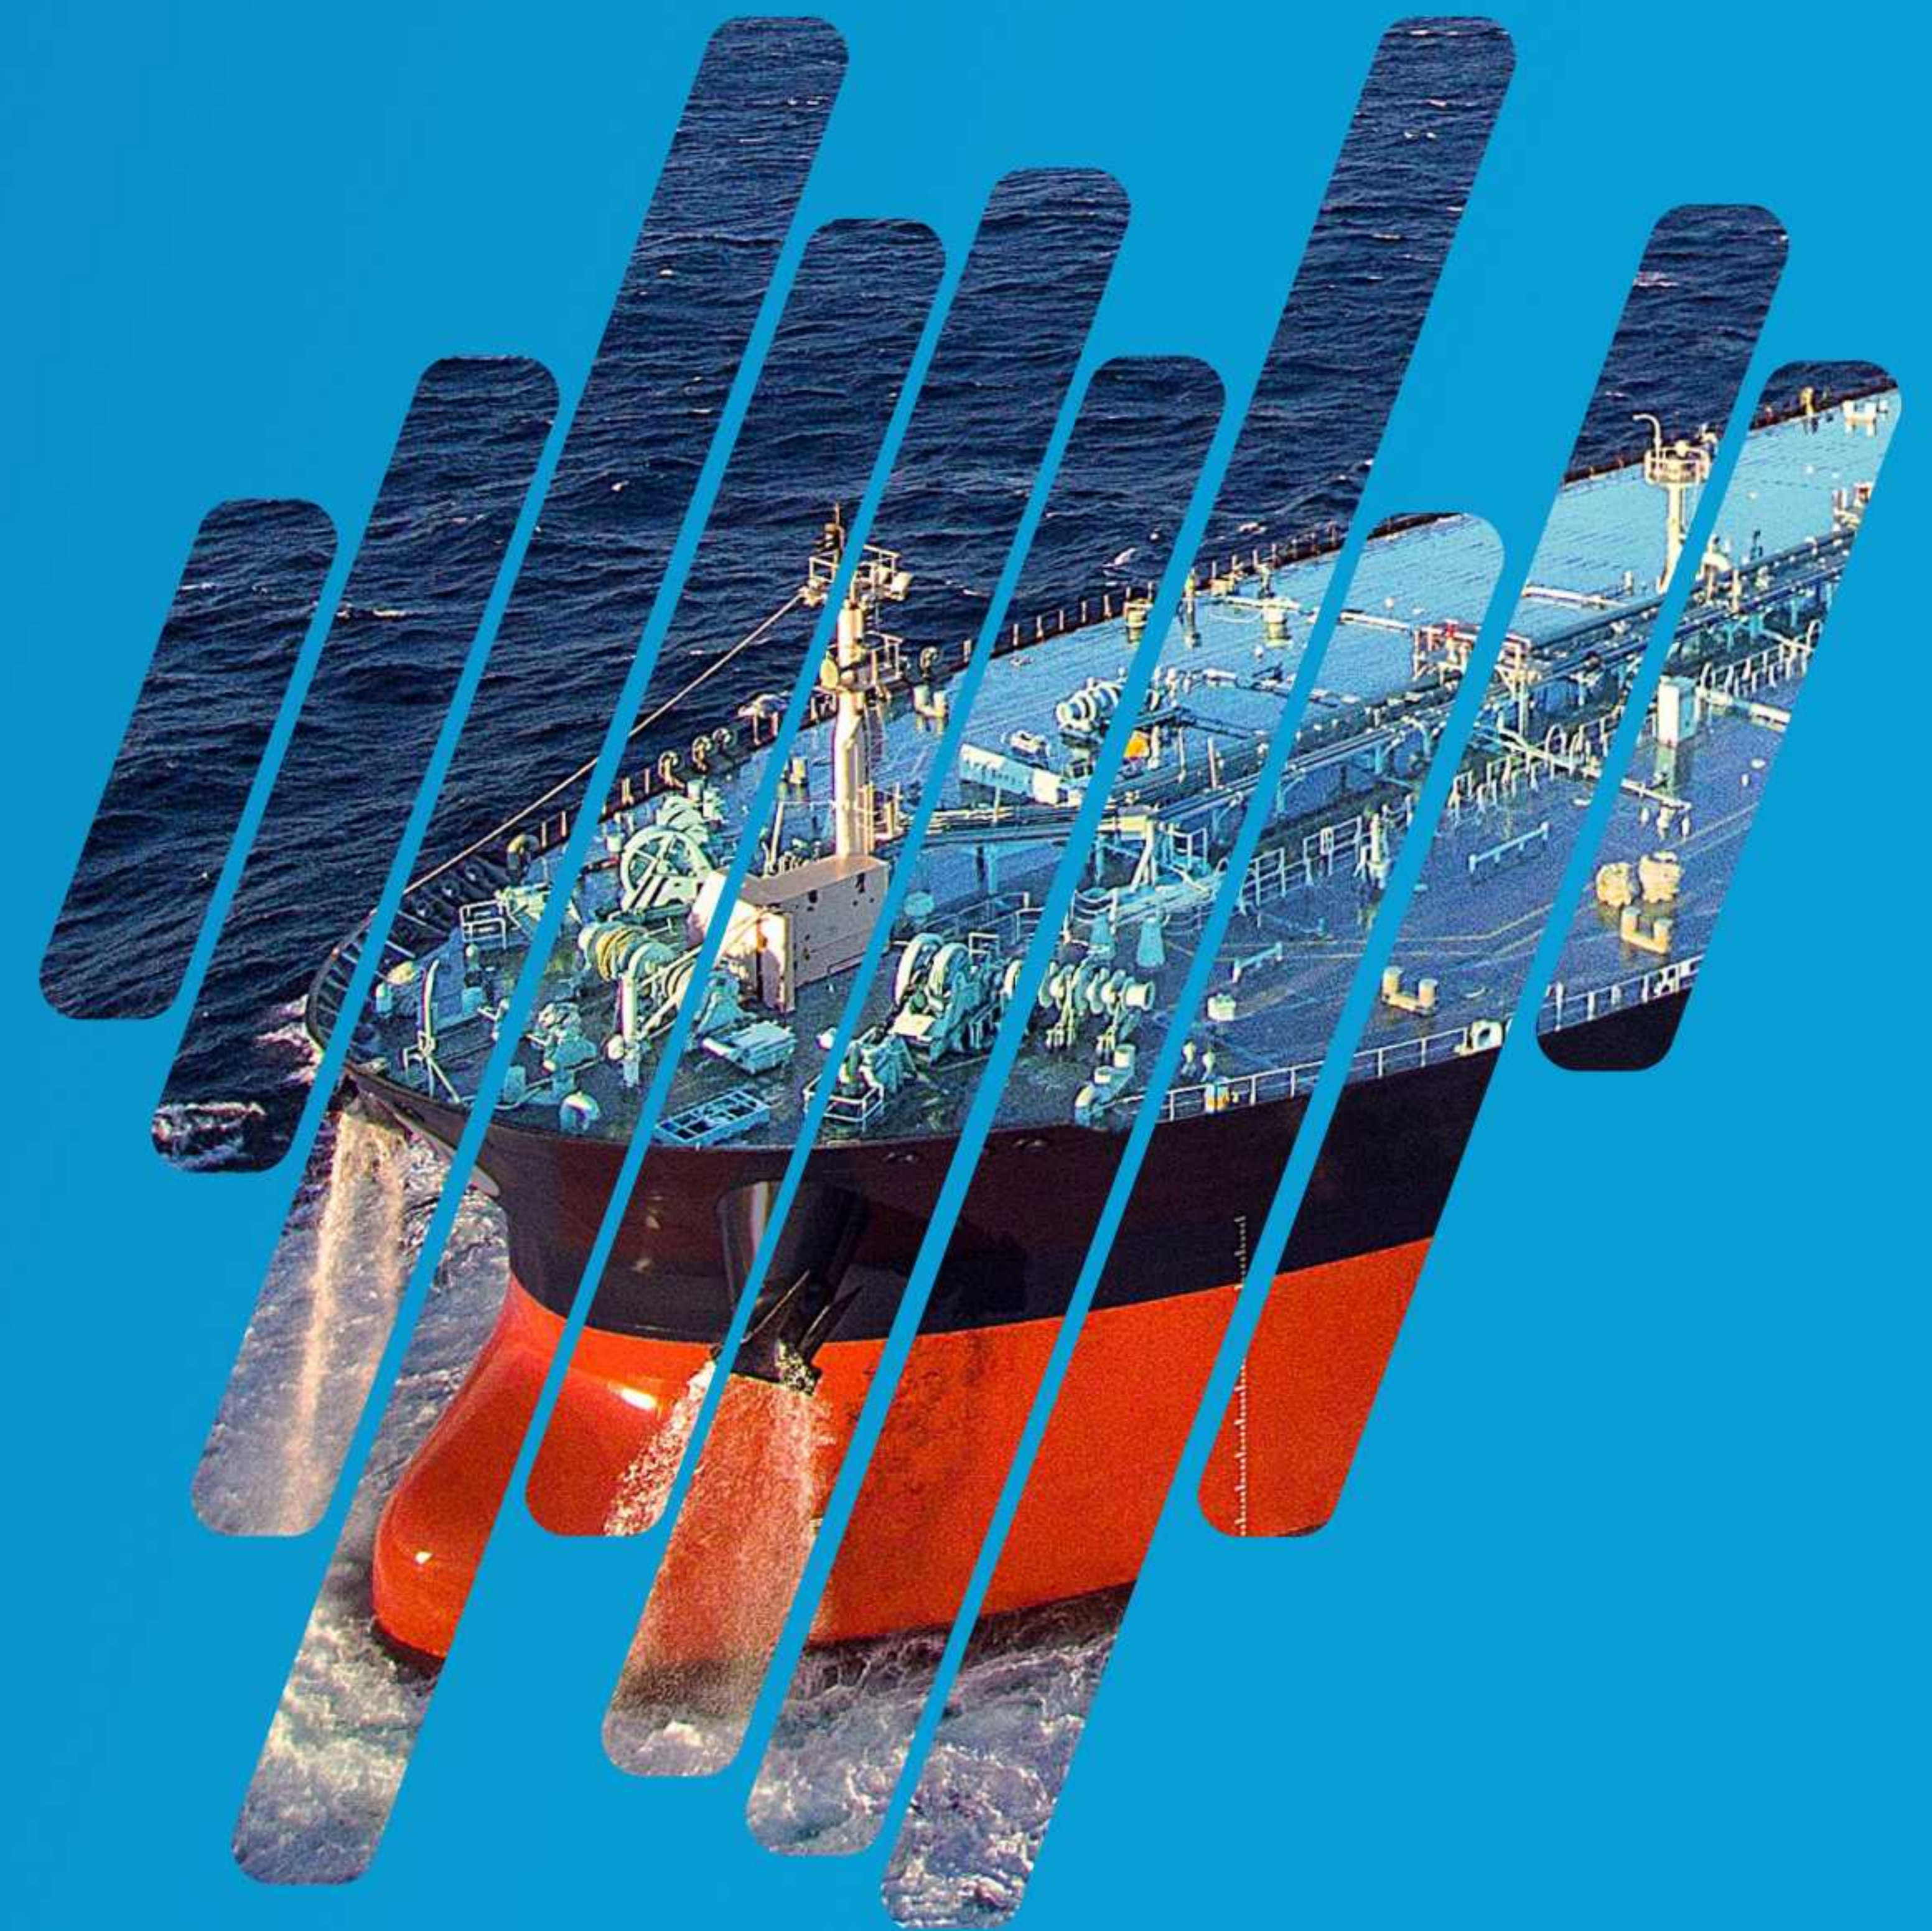

ABOUT US

Our company is pleased to offer a comprehensive range of marine services, including automation, electrical, electronic and, in particular, pneumatic systems. These systems are operated by our highly specialised and well-trained personnel.

Our company is a commercial partner in Piraeus, Greece, of the pneumatic systems division of a firm that represents a wide variety of well-known companies, such as:

Bosch - Rexroth (Aventics), Emerson, Nabco, Selco, Danfoss, Deif, Samsung, Schneider Electric, Mitsubishi, Siemens, Volcano.

We are currently engaged in the repair and conversion of vessels.

OUR VISION & MISSION

Alpha Automation Ltd is a privately owned company specialising in the research, development, production and marketing of electronic equipment.

Our global vision is to be recognised as the world leader in safety, quality, value and dependability. We aim to achieve this by offering innovative and competitive marine solutions that are tailored to our customers' needs.

We are proud of the quality of our work, products and services, and of the recognised and validated efficacy of our continuous improvement programme.

We are proud to meet the needs of our customers in a way that sets us apart from our competitors.

SATISFYING SERVICES

The high standards of service we uphold are a testament to the trust and preference of our clientele.

HIGH QUALITY, LOW PRICE

Our objective is to deliver superior services at the most competitive rates.

VALUES

Safety, People, Accountability, Respect, Continuous Improvement

WHAT WE DO

We offer emergency service, general repairs and routine maintenance, as well as complete system design and installation.

ELECTRONIC

We are pleased to offer a comprehensive range of electronic services that address the full spectrum of requirements in the marine and industrial sectors.

ELECTRIC

We are proud to deliver reliable and technologically advanced electrical and mechanical services and installations.

PNEUMATIC

We specialise in the repair and overhaul of pneumatic and fuel components for the marine and industrial sectors.

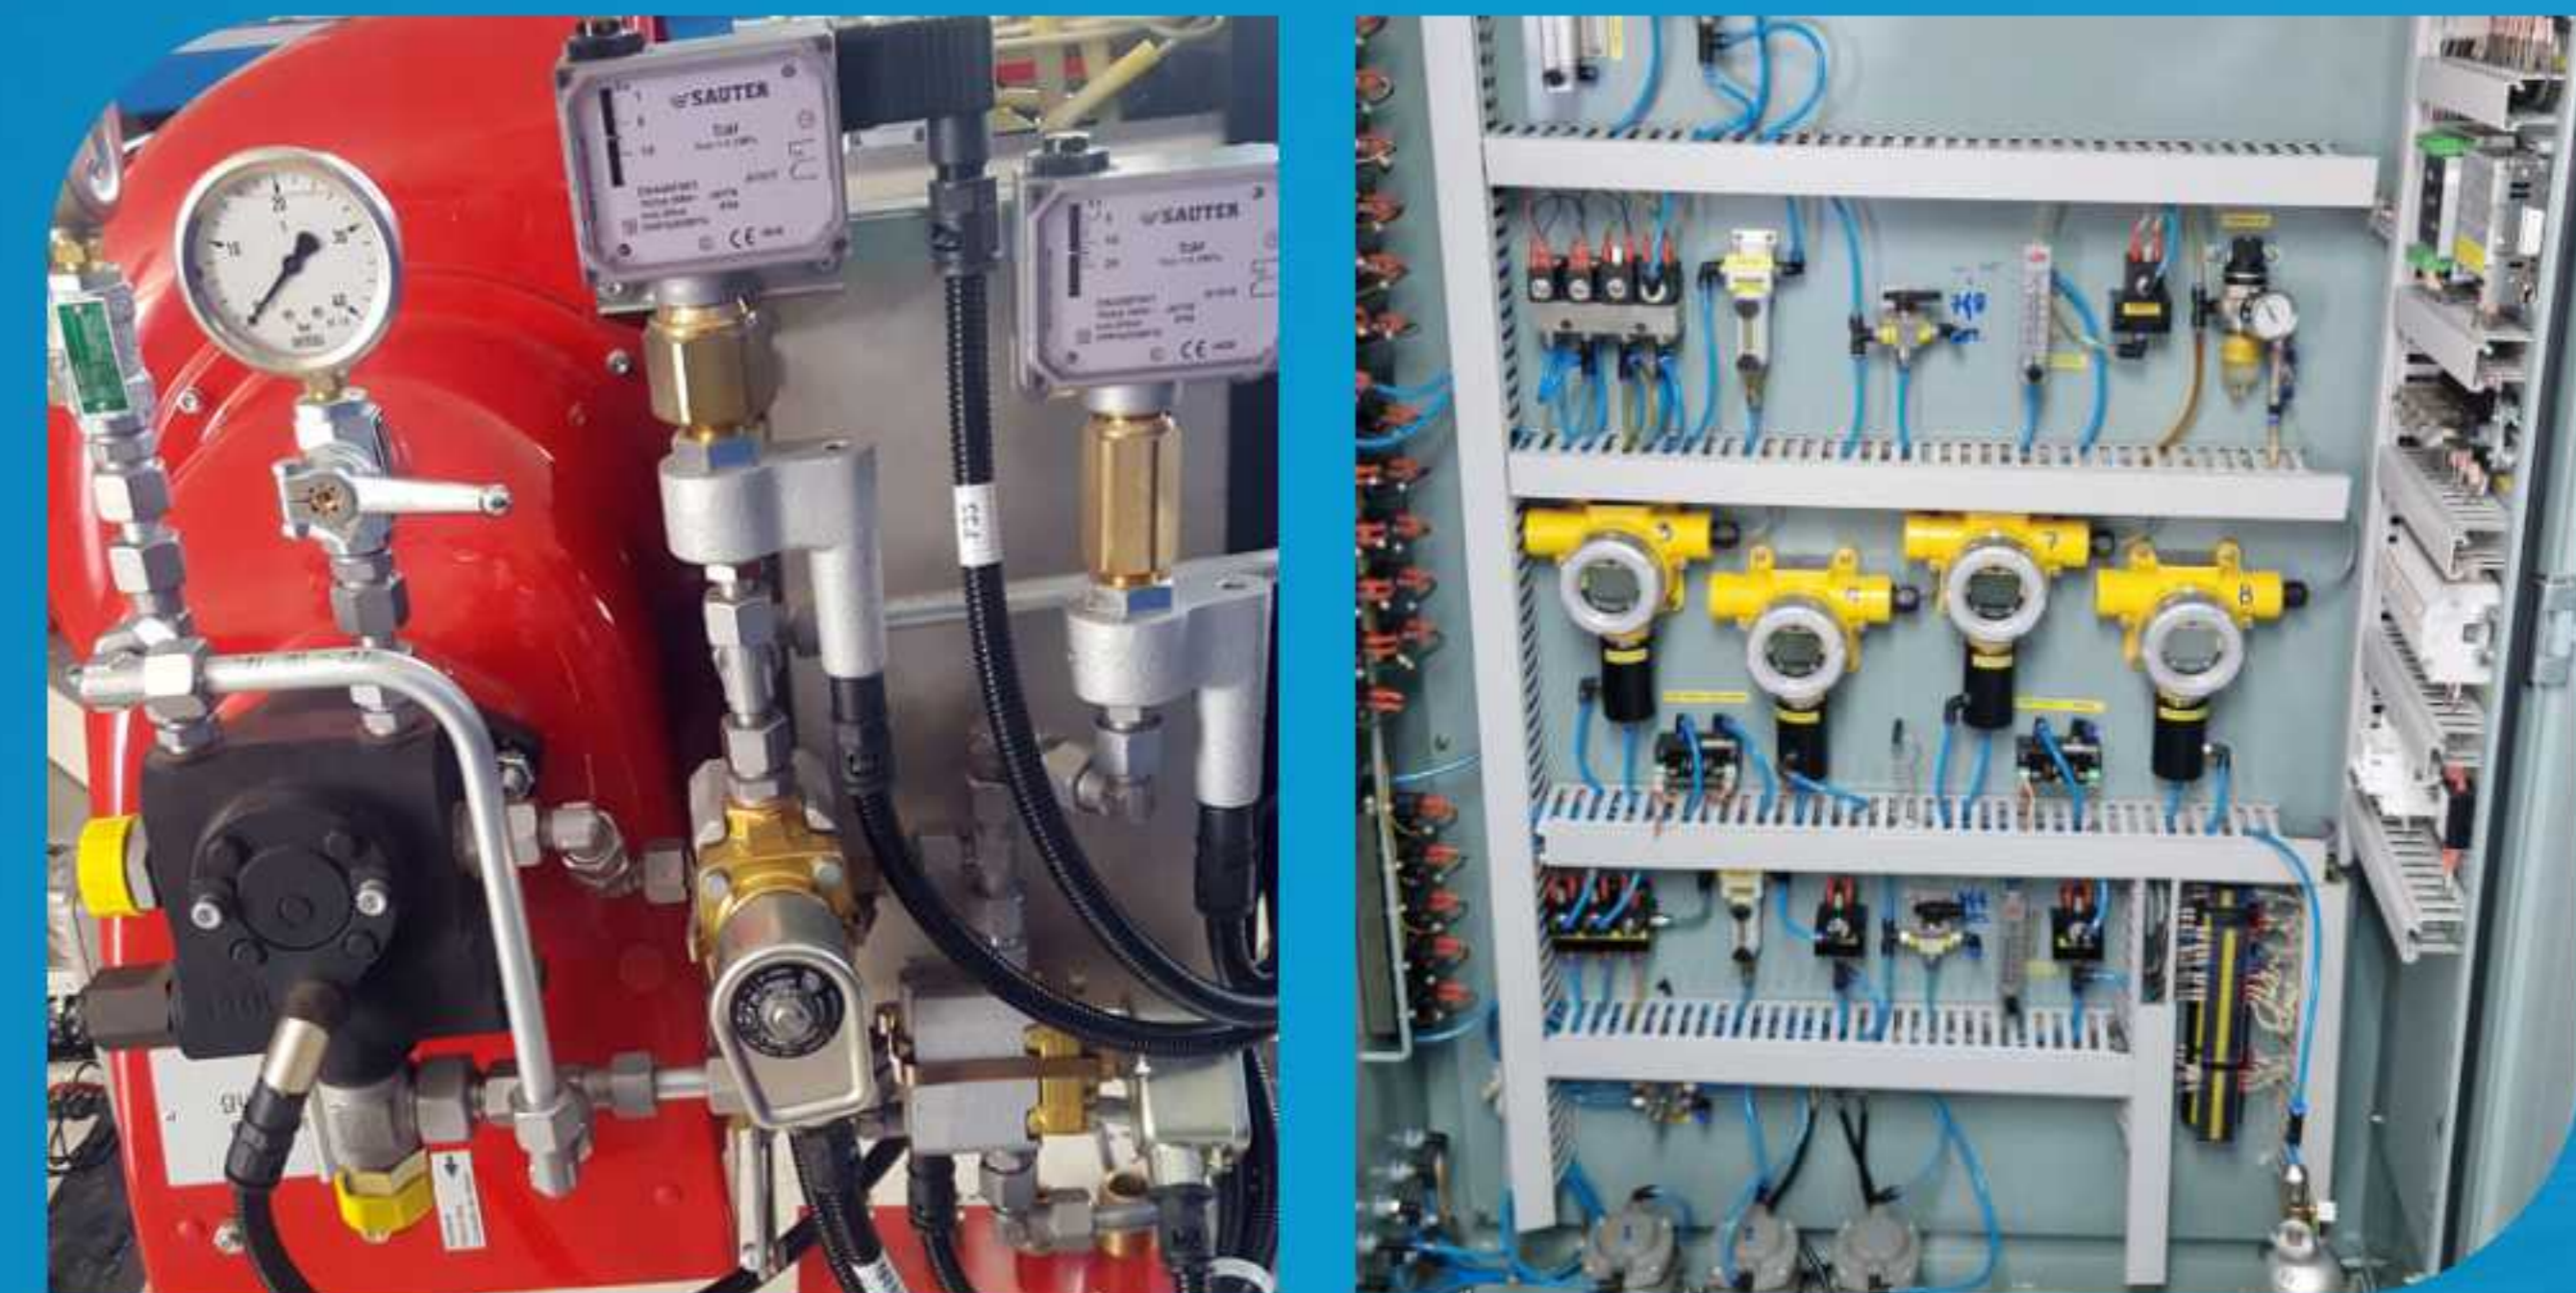

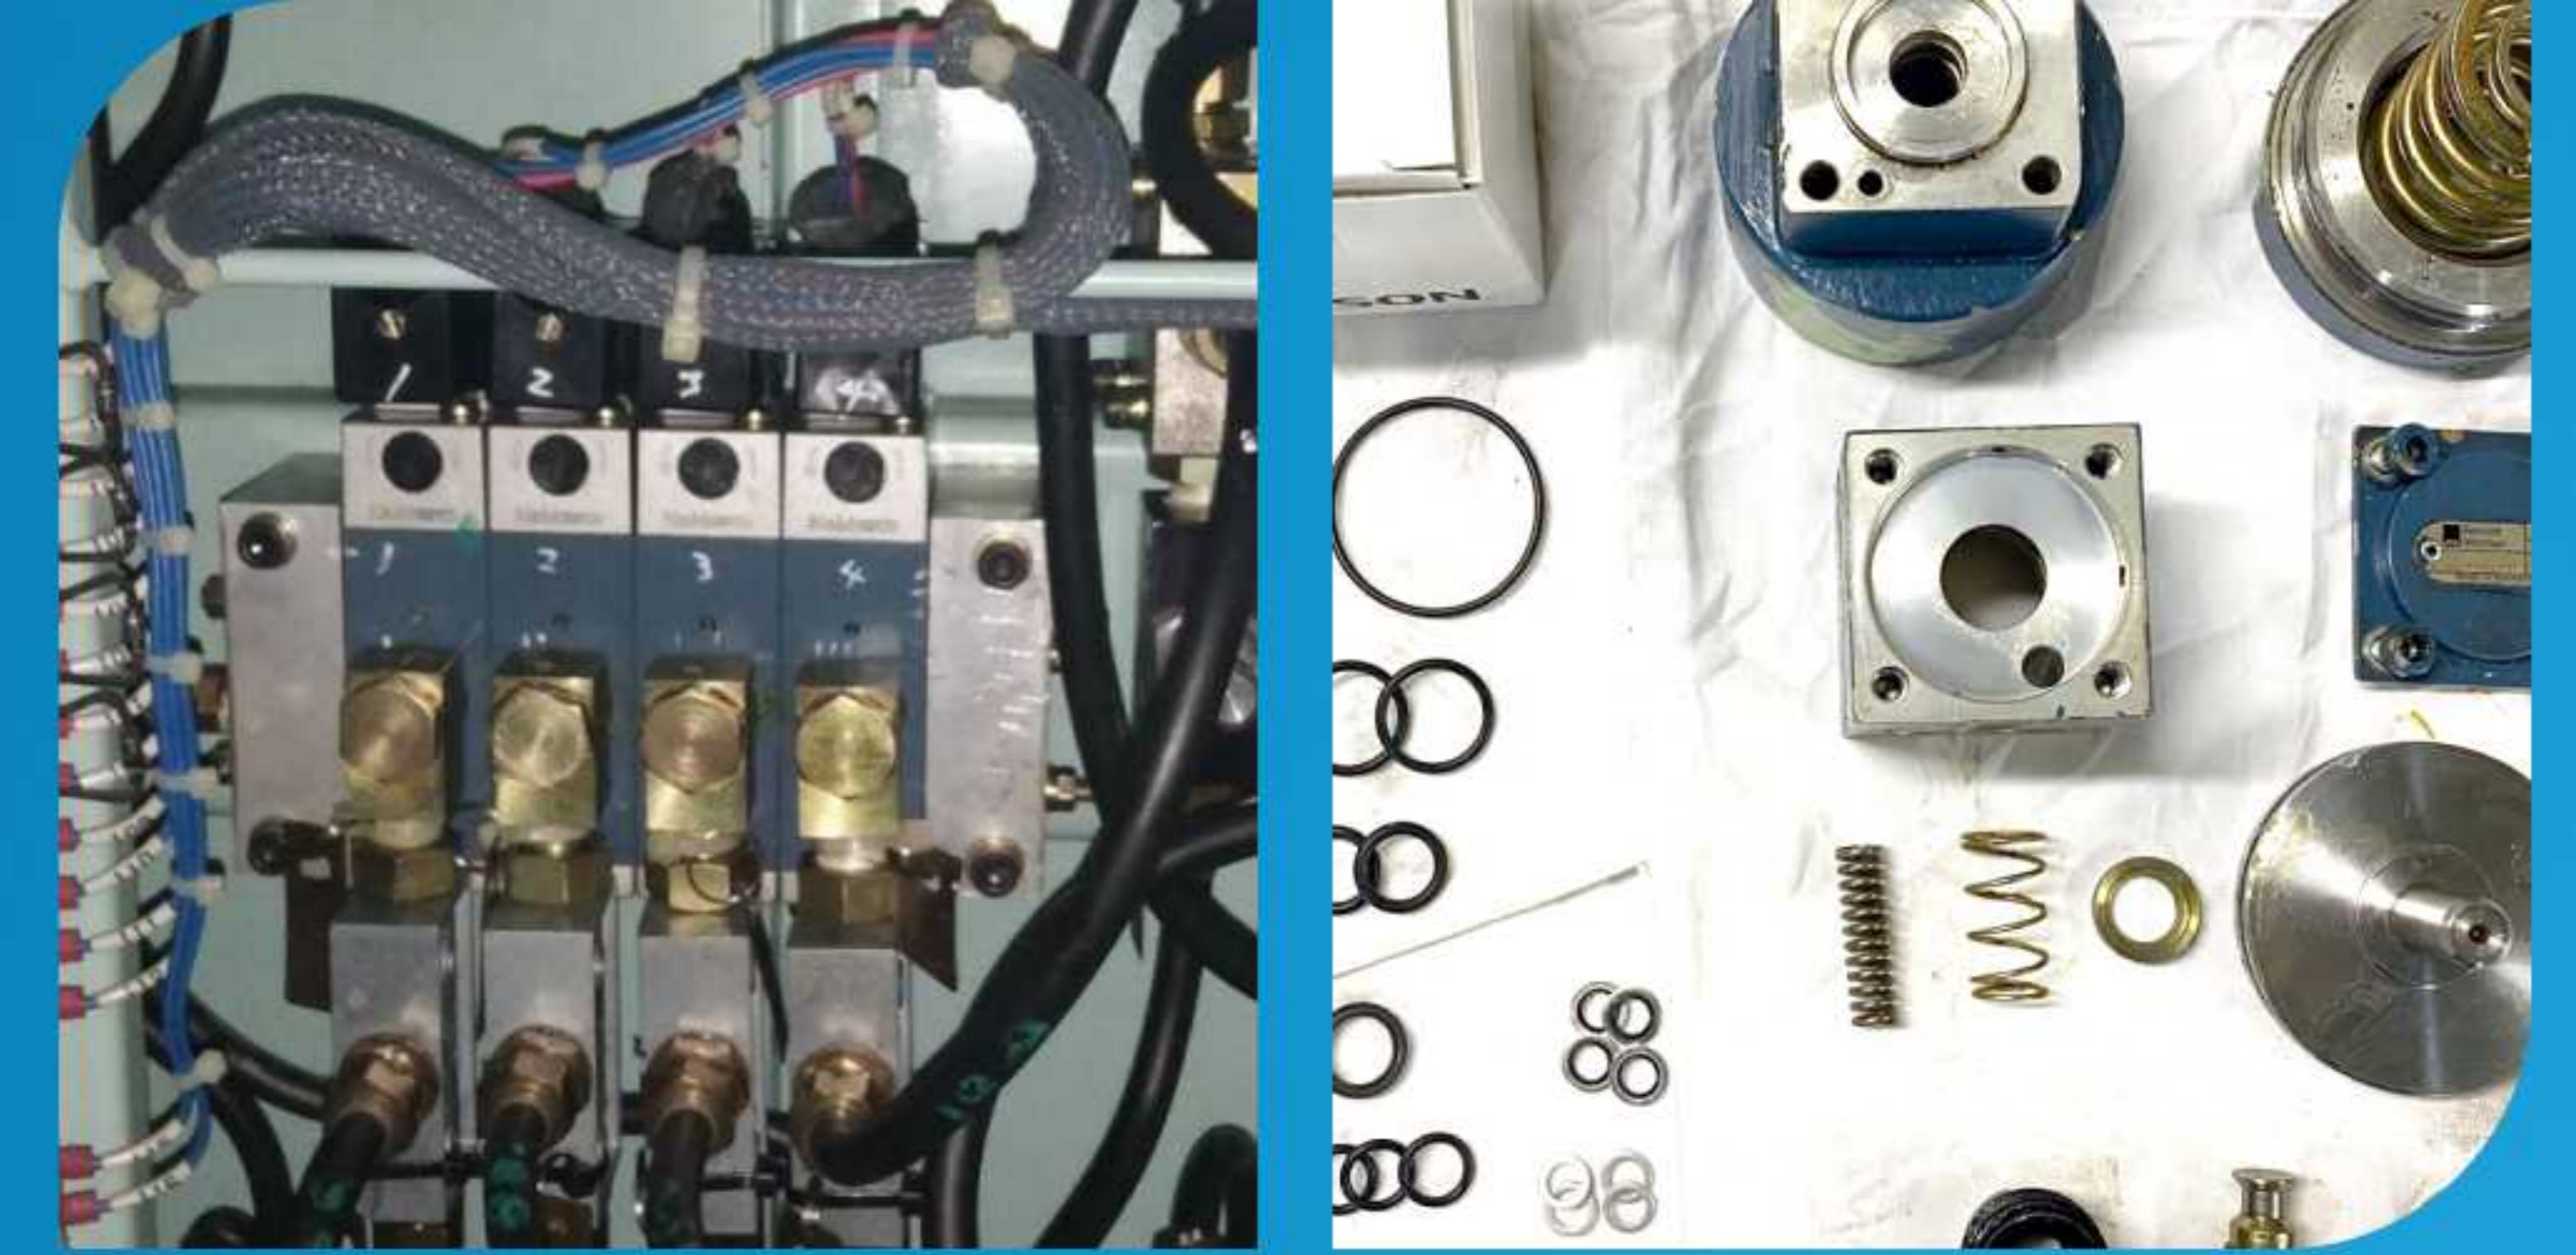

SERVICE

Our team of highly skilled and experienced technicians provides a range of diagnostic services, including on-site assessments and remote troubleshooting, ensuring your complete satisfaction.

PROJECTS

- Maneuvering System in Main Engine
- Boiler Burners and Boiler Controllers
- Boiler Control Panels - Dead man Alarm System
- Inert Gas System
- COP temperature panel
- Fixed Gas Sampling System
- Dewatering System / Water Ingress
- High Level and Overfill Alarm Panel
- Pump room Oxygen Monitor
- Pump room Gas Detection System
- Gas Detection System Water Ballast tank
- CCR Console Service
- Vapor Emission System
- Tank Pressure Monitor
- Fire Alarm
- Alarm & Monitoring System
- Ballast Water Treatment System
- Temperature Sensors
- PCB Repair

OUR PRODUCT CATEGORIES

AIR

Air Filters
Air Regulators
Filter Regulators
Lubricators

ELECTRICAL

Air Circuit Breakers
AVR
Cables
Contactors
Inductive Sensors
Capacitive Sensors
Inverters
Limit Switches
Power Supplies
Relays
Transformers

INSTRUMENTS

Analog Meters
Digital Instruments
Hour Meters
Insulation Meters
Portable Meters
RPM Meters

LEVEL CONTROL

Level Pressure Sensors
Level Switches
Level Transmitters

CYLINDERS & POSITIONERS

Electro-pneumatic Positioners
Limit Switch Box
Pneumatic Cylinders
Position Transmitter

CONVERTERS & ISOLATORS

Barriers
Isolated Converters
Signal Transmitters
Signal Transducers
Trip Amplifiers

PLC

PLC CPU
PLC Expansion Modules
PLC Operator Devices
PLC Power Supplies

BRIDGE EQUIPMENT

Panel Indicators
Rudder Indicators
Wind Indicators (Anemometers)
Selector Switches
Various PCB

FLOW CONTROL

Flow Meters
Flow Switches

VALVES & REPAIR KITS

Actuators
Ball Valves
Butterfly Valves
Control Valves
Pneumatic Valves
Repair Kits
Safety Valves
Solenoid Valves
Thermostatic Valves

SAFETY

Air Horns
Bases (for Detectors)
Beacons & Call Points
Flame Detectors
Heat Detectors
Smoke Detectors
Sounders & Sirens

BOILER

Boiler Solenoid Valves
Flame Detectors
Flame Eyes
Flame Relays
Ignitor Transformers
Ignitors & Nozzles
Oil Burner Controllers
Photo Cells

PRESSURE

Differential Pressure Transmitters
Electro-pneumatic Controllers
I/P Converters
Pressure Calibrators (Hand Pumps)
Pneumatic Pressure Controllers
Pressure Gauges (Manometers)
Pressure Switches
Pressure Transmitters
Pressure Transducers

TEMPERATURE

Pneumatic Temperature Controllers
Temperature Calibrators
Temperature Controllers
Temperature Sensors
Temperature Switches
Temperature Transmitters
Thermometers

DETECTION & ANALYZER

15pp Bilge Alarm Monitors
Fire Detection Systems
Gas Detection Systems
Navigation Panels
Oil Mist Detectors
Oxygen Analyzers
Salinometers
Calibration Certificates

Please do not hesitate to visit our e-shop for more products.
